No. 10534 /TS/CECB/ 2021

Nava Raipur Atal Nagar, Dated 27/ 02 / 2021

To,

M/s Star E Processors
Village – Baktara, P.O. – Godi,
Tehsil – Arang,
District – Raipur (C.G.)

Sub: - Renewal of the consent of the Board under section 25 of the Water (Prevention and Control of Pollution) Act, 1974 and under section 21 of the Air (Prevention and Control of Pollution) Act, 1981.

Ref: - 1. Consent of the Board issued under section 25 of the Water (Prevention and Control of Pollution) Act, 1974 and under section 21 of the Air (Prevention and Control of Pollution) Act, 1981 vide letter no. 9762/TS/CECB/2020 Nava Raipur Atal Nagar, dated: 31/01/2020.

2. Your online application dated: 15/01/2021 and subsequent correspondence ending dated: 12/02/2021 (online application no. 6768682)

--:: 00 ::--

With reference to your above application, consents under section 25 of the Water (Prevention and Control of Pollution) Act, 1974 and under section 21 of the Air (Prevention and Control of Pollution) Act, 1981 are hereby renewed up to 31/01/2023 effective from date of issue of this letter, subject to the fulfillment of the terms and conditions incorporated in the water and air consent letter no. 9762/TS/CECB/2020 Nava Raipur Atal Nagar, dated: 31/01/2020 issued by the Board and additional conditions mentioned below.

These renewal of consents is valid for:-

Name	Production Capacity
E-Waste Processing Unit	6,000 Tonnes Per Annum (Six Thousand Tonnes Per Annum)

Additional Conditions

A. Water consent as per the Water (Prevention and Control of Pollution) Act, 1974

1. Industry shall comply the provisions mentioned in guideline issued by Central Pollution Control Board for processing of E-waste.
2. Industry shall operate and maintain the effluent treatment system and sewage treatment plant effectively regularly. Industry shall ensure treated effluent quality within the standards prescribed by Board

published in Gazette Notification dated: 25/03/1988. Industry shall ensure proper acid proof lining in E.T.P to prevent seepage/Leakage of acidic effluent. No effluent shall be discharged outside of the factory premises in any circumstance. Treated effluent shall be utilized either in process or for plantation within premises. The parameters of treated effluent shall not exceed the standard prescribed by Board. Chhattisgarh Environment Conservation Board may further stipulate stringent limit depending upon environmental conditions.

3. Industry shall make proper, safe and scientific arrangement for storage and disposal of other solid waste generated during process.
4. Industry shall comply with the provision of Plastic Waste Management Rules, 2016.
5. Industry shall give priority for processing E-waste collected from Chhattisgarh State. E-waste from other state shall be processed only in case of non availability of E-waste from Chhattisgarh state.
6. All the internal roads shall be made pucca before 31/10/2021; failing which, the bond guarantee submitted may be forfeited. Industry shall adopt good housekeeping practices within plant premises.
7. Industry shall submit characterization report of all the waste generated. As per characterization report, if any waste comes under the purview of Hazardous and Other Wastes (Management and Trans Boundary Movement) Rules, 2016., industry shall obtain letter of authorization under Hazardous and Other Wastes (Management and Trans Boundary Movement) Rules, 2016 from the Board and comply with the rule.
8. Industry shall use fly ash brick, fly ash block and fly ash based products in the construction/repairing activities.
9. Industry shall enhance the capacity of rainwater harvesting systems to increase the ground water recharge.
10. Wide green belt of broad leaf local species shall be developed along the plant premises. As far as possible maximum area of open spaces shall be utilized for plantation purposes. Green belt / plantation shall be developed within the plant premises in at-least 33 % area of total plant area.
11. Industry shall submit Environment Statement to this Board as per provision of Environment (Protection) amendment Rule, 1993 for the previous year ending 31st March on or before 30th September every year.
12. Industry shall follow the terms and conditions stipulated in the Chhattisgarh Environment Conservation Board's order no. 7261/TS/CECB/2015, Raipur dated 06/02/2015. In case of non compliance of any terms and conditions mentioned above or mentioned in the above order, this renewal of the consent may be cancelled.
13. This renewal of consent is being issued under the "Scheme of Auto-Renewal of Consent" of the Board issued vide office order no. 5937 dated 29/01/2018 as per self certificate submitted by authorized signatory Mr. Mehul Mahadev Thakkar, Partner of M/s Star E Processors, Village – Baktara, P.O. – Godi, Tehsil – Arang, District – Raipur (C.G.).
14. In case, if the capital investment is increased by such amount that the total investment exceeds the range for which renewal fees has been

paid, the industry shall have to pay the difference amount of renewal fees for the corresponding block years.

15. In case, the prescribed fee payable is amended in future, the industry shall be liable to pay the difference amount for corresponding block years.
16. Chhattisgarh Environment Conservation Board reserves the rights to revoke the consent / renewal of consent at any time for any violation/non-compliance.

B. Air Consent as per the Air (Prevention and Control of Pollution) Act, 1981

1. Industry shall comply the provisions mentioned in guideline issued by Central Pollution Control Board for processing of E-waste.
2. Industry shall operate and maintain the existing pollution control systems regularly and effectively to achieve particulate matter emission less than 30 mg/Nm³ all the time. Industry shall also maintain the ambient air quality within the factory premises within prescribed limits. Effective steps shall be taken to control fugitive emission inside the factory premises. Industry shall ensure the fugitive dust emission within standards prescribed by Ministry of Environment & Forest, Government of India published in Gazette Notification GSR 414(E) dated: 30/05/2008. Chhattisgarh Environment Conservation Board may further stipulate stringent limit depending upon environmental conditions.
3. Industry shall submit stack and ambient air quality monitoring reports to the Board regularly.
4. Industry shall make proper, safe and scientific arrangement for storage and disposal of other solid waste generated during process.
5. Industry shall comply with the provision of Plastic Waste Management Rules, 2016.
6. Industry shall give priority for processing E-waste collected from Chhattisgarh State. E-waste from other state shall be processed only in case of non availability of E-waste from Chhattisgarh state.
7. All the internal roads shall be made pucca before 31/10/2021; failing which, the bond guarantee submitted may be forfeited. Industry shall adopt good housekeeping practices within plant premises.
8. Wide green belt of broad leaf local species shall be developed along the plant premises. As far as possible maximum area of open spaces shall be utilized for plantation purposes. Green belt / plantation shall be developed within the plant premises in at-least 33 % area of total plant area.
9. Industry shall submit characterization report of all the waste generated. As per characterization report, if any waste comes under the purview of Hazardous and Other Wastes (Management and Trans Boundary Movement) Rules, 2016., industry shall obtain letter of authorization under Hazardous and Other Wastes (Management and Trans Boundary Movement) Rules, 2016 from the Board and comply with the rule.
10. Industry shall use fly ash brick, fly ash block and fly ash based products in the construction/repairing activities.

11. Industry shall submit Environment Statement to this Board as per provision of Environment (Protection) amendment Rule, 1993 for the previous year ending 31st March on or before 30th September every year.
12. Industry shall follow the terms and conditions stipulated in the Chhattisgarh Environment Conservation Board's order no. 7261/TS/CECB/2015, Raipur dated 06/02/2015. In case of non compliance of any terms and conditions mentioned above or mentioned in the above order, this renewal of the consent may be cancelled.
13. This renewal of consent is being issued under the "Scheme of Auto-Renewal of Consent" of the Board issued vide office order no. 5937 dated 29/01/2018 as per self certificate submitted by authorized signatory Mr. Mehul Mahadev Thakkar, Partner of M/s Star E Processors, Village – Baktara, P.O. – Godi, Tehsil – Arang, District – Raipur (C.G.).
14. In case, if the capital investment is increased by such amount that the total investment exceeds the range for which renewal fees has been paid, the industry shall have to pay the difference amount of renewal fees for the corresponding block years.
15. In case, the prescribed fee payable is amended in future, the industry shall be liable to pay the difference amount for corresponding block years.
